Be on the lookout!

Head's up that starting June 12th, there will be a slight change in how we distribute Holy Communion. Instead of dipping (intinction) the wafer into the wine, you will be offered a small individual cup of wine or grape juice. When finished, just place the cup in the empty tray. Just another way we are trying to keep our worship service as safe and healthy as possible.

Pastor's Pen

Happy June dear friends in Christ! How is it June??? My first official letter to you and I have to say I am just a bit excited:)

May was a busy and crazy and "covidy" kind of month, but it is over! And I, for one, am glad we are entering into June.

As I was driving to church this morning, I came upon this sign right here. "Road Closed. Detour" What?!

One thing you will soon learn about me is that I am directionally challenged. If it weren't for GPS, I might never be seen again. At any rate, my normal route from Hollandale to Barneveld was not going to be happening today. I was a bit panicked. GPD adapted and began guiding me a new and different direction. I am happy to say I made it to church safe and sound:)

Changes can be really hard. Especially when they come out of the blue and surprise us. But even the changes we have known about for a long time can cause us to struggle or feel anxious. Detours happen along our path of life. Rarely does everything go as planned. Sometimes, the new path can cause us to be so panicked that we get stuck and have to pull over.

Other times, the new path seems so daunting that we just turn around and go back where we came from. And sometimes, especially when we have others supporting us, we put on our big pants and brave our way through new territory.

No matter who you are or where you live, this time of year can bring about lots of changes, transitions and detours. Students are graduating. Fields are being tilled and planted. Road work everywhere! Summer time brings a different rhythm to life and here at BLC,

we are no different.

Whatever situation you find yourself in, know that you, my friend, are not alone. And although there aren't easy answers, answers come a lot easier when we work together. I am honored and thrilled to be your new pastor! And together we're going to build a new future for Barneveld Lutheran Church. We cannot limit our dreams to just recreate what once was, but allow the Holy Spirit to lead us to new and different places. It might be a little scary. It might be a little bumpy. But it also might be a whole lot of wonderful!

Starting June 12th, we are going to begin a three-week sermon series entitled, **"Detours: Changes in our Path. Changes in our Mind. Changes in our Heart."** We will

look at some ways that God's people had to change their paths, their minds and hearts. Times when God threw the plan out the window and charted a completely different course. Please join me as we walk through scripture stories and these themes. It won't be the same if you aren't there!

We all are one in mission; we all are one in call, our varied gifts united by Christ the Lord of all. A simple great commission compels us from above to plan and work together that all may know Christ's love.

(Evangelical Lutheran Worship # 576)

Together in Christ!

Health tip

From Ronda Bowe Health Ministry Liaison

Avoid Tick Bites

Tuck shirt into pants and pants into socks to cover gaps in your clothing where ticks can get in. Wear light-colored clothing to be able to see ticks more easily. Check the entire body for ticks; promptly remove attached ticks without squeezing them.

* Insect repellent is effective. Try permethrin-based clothing or mosquito repellent with at least 30% DEET; works best when spraying the bottom of your pants and your shoes.

Recipe of the Month from Ronda Bowe

Broccoli Salad

1 pkg. Broccoli slaw
1 cup Slivered almonds
1 cup Sunflower seeds
2 pkgs. of Beef Ramen Noodles broken into small clumps (reserve seasoning packet)

In a separate bowl, whisk together:

3/4 cup oil
1/2 cup sugar
1/3 cup apple cider vinegar
2 packets of seasoning from the Beef Ramen Noodles

Drizzle over broccoli slaw mixture and toss well. Chill in the refrigerator for one hour before serving to allow flavors to meld and noodles to soften. I prefer this salad best when served the same day that it is made as the noodles are still somewhat crunchy, but it does taste good the next day with softer noodles too.

Food Pantry Needs Staffing Volunteers

The Food Pantry needs volunteers to staff it each Wednesday morning and afternoon. **Hours to staff are:**

1st Shift: 9:15 a.m. - 12:00 p.m.

2nd Shift: 1:00 a.m. - 3:30 p.m.

You can take the a.m. or p.m. shift or both.

Bring a book to read, write letters or you are welcome to bring a laptop and do computer work in between clients. You can log in on our guest Wi-Fi. If enough people sign up perhaps, we can get a schedule set up where each person only has to staff the pantry once every few weeks.
